

Certificate III In Carpentry

CRICOS CODE: 103321D | National Code: CPC30220

This qualification has been developed against the national requirements for carpentry. This is a trade qualification for aspiring carpenters in residential and commercial workplaces, and includes learning how to set out, manufacture, construct, assemble, install and repair products made using timber and non-timber materials.

ACADEMIC REQUIREMENTS

To meet the academic requirements, applicants must have either completed a Diploma or Advanced Diploma from the BSB Training Package (including current or superseded versions), or have two years of full-time relevant Australian work experience in an operational or leadership role. They must also possess adequate language, literacy, and numeracy skills, have access to a computer with internet, Microsoft Office, and PDF reader capabilities, and a stable internet connection.

RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognized training can be formally recognized. Oxford College Australia has a process that has been structured to minimize the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment and should receive a response within 15 business days.

ENTRY REQUIREMENTS

- Must be 18+ and hold a Year 12 certificate (or equivalent)
- Physically fit for manual tasks and working at heights
- Basic LLN and tech skills to complete training
- Access to a computer, internet, MS Office, and PDF reader
- International students: IELTS 5.5 or equivalent (lower scores accepted with ELICOS packages)

AGE REQUIREMENTS

Be aged 18 years or over

CREDIT TRANSFER

Students at Oxford College Australia can apply for credit transfer with certified AQF documents or VET transcripts during enrolment. Units with different titles or codes are assessed through a mapping process for equivalency
